## *Moving On...*

Dear Parents/ Carers

After 9 years as headteacher at our school, it is now time for me to move on to a new venture.

In February I was offered the post of headteacher in a school in Qatar in the Middle East. This will be a very new and exciting challenge for me, and I am looking forward to taking up the post.

I will, however, be very sad to leave Croxteth, as the past 9 years have been full of challenges and exciting developments. Looking back over these years, I think of my time as head in the "old school", and of working with the community, children and professionals to develop our innovative and "current" school building.

I am hugely proud of the pupils who work hard every day to become independent and creative learners, of staff who work hard as a team to secure the best learning for your children, of parents who unerringly support their children and our school, and Governors who keep the school's development at their heart.

Governors have now begun the search for the next headteacher, and are working hard to ensure that the ethos and qualities that the school holds dear, continue to develop and expand securely.

I now take this opportunity to thank the whole of our school's community for the support that I have received during the past 9 years, which has secured the school's journey to the "GOOD" school that it is today.

Warmest regards

*Karen McBride*
