

WE ARE

Learning

KS1 Autumn 1

IN THE Spotlight

Here's a look at just a few of the fantastic topics we are learning about in KS1 this half term:

Y1:

Science - Plants

History - 1950s

DT - Mechanisms: Designing and Making

Maths - Counting within a 100

Y1/2:

Science - Plants

History - 1950s

DT - Mechanisms: Designing and Making

Maths - Y1 Counting within a 100

Y2 Numbers 10-100

Y2:

Science - Plant Growth

History - Walter Tull

DT - Mechanisms: Designing and Making

Maths - Numbers 10-100

Y3:

Science - Rocks

History - Prehistoric Britain

DT - Cooking and Nutrition: Designing and Making

Sanwiches

Maths - Addition and Subtraction

Number Bonds

Learning number bonds to 10 doesn't just help children solve small calculations—it unlocks a visual "shortcut" that makes mental maths effortless for life!

$$7 + 3 = 10$$

$$70 + 30 = 100$$

$$7000 + 3000 = 10000$$

$$0.7 + 0.3 = 1.0$$

SHINING Moments

Well done to ** for achieving his red belt and ** for winning Player of the Year! We are very proud of you both!

Well done to ** for having perfect attendance so far this year and being the lucky winner of a scooter!

Supporting Your Child AT HOME

Homework:

Homework goes out on Monday and is due back on Fridays. Please help your child to complete their work and hand it in on time.

Bookbags:

Book bags need to be brought into school each day. Please read with your child at home and sign their reading record so that books can be changed.

Learning Apps:

At Croxteth, we invest in a range of high quality learning apps to support our children. Encourage your child to access them for a few minutes each day - speak to your child's teacher for login information.
