Maths - Column Addition & Subtraction

Y5 & Y5/6:

Science - Separating Mixtures

History - Benin Kingdom

DT - Designing and Making A Bread Product

Maths - Decimal Fractions

Y6:

Science - Electricity

History - Industrial Revolution

DT - Designing and Making A Seasonal Crumble

Maths - Additive and Multiplicative Relationships

KS2 Autumn 1

IN THE Spotlight

Reading for Pleasure

Did you know that reading just one picture book a day with your child exposes them to roughly 290,000 extra words every year!

SHINING Moments

Well done to ** and Rae for competing in the first cross country race of the year and doing amazingly.

Well done to **, for having perfect attendance so far this year and winning a voucher in our attendance raffle!

Supporting Your Child AT HOME

Homework:

Homework goes out on Monday and is due back on Fridays. Please help your child to complete their work and hand it in on time.

Bookbags:

Book bags need to be brought into school each day. Please read with your child at least once per week

Learning Apps:

At Croxteth, we invest in a range of high quality learning apps to support our children. Encourage your child to access them for a few minutes each day - speak to your child's teacher for login information.
