## Walk for Anthony Walker!

At Croxteth Primary, we are committed to helping others.

As you will know, each class completes some charity work each year and this year we are linking each of our charities to an awareness campaign at different points of the year.

As Y3/4T and Y4S have our charity day during the month of October (which is Black History Month), we will be raising money for the Anthony Walker Foundation.

The Anthony Walker Foundation was established in 2006 in memory of a young boy called Anthony from Huyton. The Anthony Walker Foundation works to tackle racism and discrimination by providing educational opportunities, victim support services and by promoting equity and inclusion for all - something we are passionate about in our school.

On **Wednesday 5th October 2022**, our class will be completing a sponsored walk for this worthy cause; the children (and teachers!) will be walking as many laps as we can around our school field for the last hour of the day. Please help us raise money by supporting your child to collect sponsors for our walk.

They could ask friends, family or neighbours to sign their sponsorship form and the child who raises the most money will receive a prize!

**Please can all sponsorship money be brought in by Friday 7th October 2022.**

As always, thank you for your continued support,  
Mr Smaje and Mrs Taylor

# Harvest Festival

Year 5 prepared a Harvest Assembly to perform for the whole school and out parents / carers. Our school community donated lots of food which we sent to a local charity - Croxteth Family Matters.

# Learning First Aid

The children in Year 4 and 5 took part in a pupil first aid workshop.
